

here are the reports for the BArony of Seagirt Victoria BC
for the offices of Dance and Chatelaine.....

Dance....has been very slow the last couple of weeks....have put adds
in the
monday magazine, attempted the coffee news (not making it in there) as
well
as the goldstream gazette. in order to bring its numbers back up.

Chatelaine....had a couple of newbies contact me prior to the event of
Daffodil....
and saw some at the event....Batuu brought a bunch as well, from what I
understand.
Got a demo request, for the girl guides...Alexandria is going to run
this
one once it is approved...
thats about it
