

Master of Blades Report, November 2007
Prepared Dec 4, 2007

Practices:

12:30 Sunday at Craigflower Elementary School. Average attendance has recently been four to seven people per practice.

Equipment: I currently do not have the list of Iron Key equipment, but it's all there and in my possession. We are evidently short on gorgets - as our recent growth spurt illustrates - so I'm going to try to work on getting some more into iron key.
