

Master of Blades Report, August 2007
Prepared September 4, 2007
Authored by Pan Krzysztof Sirtaski, MoB Seagirt

Practices: 12:30 Sunday at Craigflower Elementary School. Average attendance has recently been six people per practice.

Equipment: I currently do not have the list of Iron Key equipment, but it's all there and in my possession.

Experiments: N/A

Events: SST - cutting to the Chase, Vincent won, a couple of slips but no injuries, no notable disputes, and crowd reaction seemed to be pretty good. I had fun, didn't walk away with any more clothing or responsibilities, and I don't have to run it next year; in other words it was perfect.

Upcoming Events: nothing till nex spring

Noatable Incidents: N/A
